

Don't Be Afraid to Smile This Summer

Get the Teeth You've Always Wanted with Dr. DePaola

Dr. Frank R. DePaola, DDS & Associates are committed to giving you a perfect smile that will boost your confidence and have you laughing more often. Dr. DePaola and his team offer Invisalign, a less intrusive and simpler alternative to braces, as part of a special package. For \$5995, patients will receive free diagnostic workups, Vivera retainers, and a choice of either free bleaching or 24-month 0% financing.

Invisalign aligners. You will wear each aligner in the series for about two weeks before moving onto the next one. Each aligner will gradually straighten your teeth until your treatment is complete and your teeth have shifted to their desired position.

Why Invisalign instead of braces?

- Avoid pain and discomfort of braces
- Food won't get caught in aligners
- Easier brushing and flossing
- More subtle appearance than braces
